Looking for the World's Best Designers

**Mid Weight Visualiser** +4 years experience

Priestmangoode  
01 November 2011

Priestmangoode is looking for a talented and ambitious 3D artist to join our team of design visionaries in our London headquarters.

We can offer you a dynamic career in one of the UK's leading design consultancies, working on a range of high profile projects for a roster of significant brands across the globe.

Our multidisciplinary design practise operates in branding, transport, environment, product and packaging design. From initial strategy and concept design through to design detailing for production, our work delivers creative, effective and innovative design solutions that help transform businesses.

In parallel with consultancy work for some of the world's best brands, we like to generate our own concepts such as the Mercury High Speed train, Moving Platforms and Waterpebble.

The successful applicant will possess the following key attributes:

- +4 years experience in visualisation
- A passion for design and an excellent eye for detail, composition and imagery.
- Excellent photoshop skills
- Fluent in Autodesk 3DS max software
- In depth knowledge of V-Ray
- Knowledge of After Effects would be preferred
- Ability to work to short deadlines and in a highly productive environment
- Excellent communication skills and the ability to work within a team
- Devotion to producing inspiring visualisation imagery and animation and a dedication to the studio's continued growth.

Candidates must be based in and eligible to work in the UK

If you think you have what it takes and would like to be part of an enterprising and innovative team of future thinkers please email through your CV and sample imagery in PDF format with "Priestmangoode - Mid-Weight Visualiser" as the subject heading to [jobs@priestmangoode.com](mailto:jobs@priestmangoode.com).

PLEASE NOTE: APPLICATIONS FROM AGENCIES WILL NOT BE CONSIDERED
